Latest News!

This academic year, one of my key improvements in school is to refresh and increase the level of technology we have at Nene Valley. This will further improve the teaching and learning we offer our children. FONV have kindly agreed to help fund this and it will be a focus of their fundraising drive this year. Events such as; break the rules day, school discos and the return of the summer fayre are all scheduled throughout the year.

We thank Hollie and the FONV team for their hard work and support.
