Welcome Back!

By the end of this week, all of our children will be back; the first time since 20 March for many! This is a huge relief for all of us, despite the headaches that it may have caused in preparing.

Pretty soon, we will have a much better idea of how our systems are working and if anything can be changed. Huge thanks to everyone for your support and understanding as we try and find ways through this.

Staffing

Mrs. Wiles has now moved to the Trust central offices, based at Woodston and is full-time Chief Finance Officer. We are very pleased to welcome **Sam Bottomley** as our new Office Manager at Nene Valley!

Nene Valley Award Winners

This box will return as it's meant to be and we look forward to awarding our first Nene Valley Awards of the year!

New Website

Having delayed the launch of the new website to avoid confusing home learning arrangements, it is now up and running. Huge thanks to Mr. File for getting it ready, and staff for extra content. Please note that there may be minor areas that are out of sync with current interim arrangements, but none related to safety.

Dates for your Diary

This area will be significantly reduced as we are restricted with the type of events that can take place.

Unfortunately, we won't be having class assemblies for parents in school, as we cannot have audiences or joint performances. Similarly, our Stibbington Residential will not take place until spring.

However, we will be looking at ways of enhancing the curriculum and sharing life in school with everyone at home.

It's possible, under current guidance, that day trips and curriculum visitors to school may take place; details would be shared about how these can take place safely prior to going ahead.
